On the enrollment form sent from the office, there is a special line reserved and marked CODE NAME. Please fill in the space with a name for each of your children participating in the extended day program. You must give this CODE NAME(S) when you need to call the office to make any changes in that day's release of your child. This information is both confidential and required.

For other information regarding the extended day program, please contact the school office.

We look forward to a new school year and to caring for your children.

Sincerely,

Mrs. Craybas
And
The Extended Day Staff
