

How Can You Help At OLM during 2011-2012?

So many of the wonderful traditions that make our school so special are the many social events, fundraisers and special programs offered throughout the year. These efforts are volunteer-run and always in need of additional parent volunteers. Below is a listing of these PTG-sponsored events and their current chair. Please take a moment to review the list below. If you are willing or able to help in any way, please feel free to contact the chairperson, or PTG President Maura Legare at 885-4395. Whether you can sign on for a weekly commitment, or simply stay late after an event is over to help clean up, every helping hand makes a difference.

As always, we thank you for any time you can offer, great or small!
It is greatly appreciated! Remember, it's all for our children!!!
